WELCOME TO ~~FuMPFEST 2023!~~ CON ON THE COB!

When we approached Andy Hopp about hosting The Logan Awards at Con on the Cob we mentioned that we didn't yet have plans for FuMPFest for this year. He said "Why don't you have FuMPFest at Con on the Cob?" And we said, "yeah, why don't we?" So here we are! Andy has graciously allowed us to invade his convention like a swarm of locusts with ukuleles singing bad parodies and we are incredibly grateful to him. Thanks, Andy!

For the Con on the Cob people who maybe don't know what's happening, FuMPFest is a comedy-music convention run by The FuMP (The Funny Music Project). Join us for a weekend of funny songs and related weirdness!

PERFORMING ARTISTS

Bonnie Gordon - Bonnie is an actress and singer who prides herself on being a “professional nerd.” Her VO credits include *Star Trek Prodigy*, *Street Fighter V*, *Fire Emblem Echoes/Three Houses*, *Mighty Magiswords*, *MegaMan 11*, and many more! She has traveled all over the world singing and guesting at comic cons with her

nerdy parody band *The Library Bards* “taking top 40 hits and transforming them into nerdy, geektastic tunes about sci-fi and fantasy!”

Insane Ian - Insane Ian is a comedy-musician from Chicago with a penchant for video games and a strange Spider-Man fetish. Recently knighted as a “comedy music god” by legendary radio personality Dr. Demento, Ian has made a name for himself with his quick wit and video game related song parodies. Besides performing,

Ian will be your host for the weekend and is also the Chair of The Logan Whitehurst Memorial Awards for Excellence in Comedy Music.

Jeff Whitmire - Jeff Whitmire has been dubbed the “Weird AI” of horror (by a small, but feisty circle of social media)! He writes funny songs about popular horror films and franchises, as well as other pop culture subjects. He is a 3-time Logan Award Nominee and his songs have been heard on the Dr. Demento Show. He recently released

his second album, *Stabby Road*, an album of wacky horror movie themed comedy songs!

Ross Childs - Ross Childs has been improvising, singing, and performing in and around the country for the better part of the last decade. He moved to Chicago from Houston, TX in the summer of 2013. Since then, he has studied at iO, The Annoyance, and The Second City. He has been playing comedy music for the better part

of a decade, releasing his debut album “Kazooology” in 2018. When not recording and performing his music, he’s writing and performing theater with his company, BYOT productions.

PERFORMING ARTISTS

Steve Goodie - Steve Goodie is a comedian, singer, songwriter, and record producer from Nashville Tennessee who has the distinct honor of having penned Nina Yankovic's favorite parody, "Dumbledore," a parody of her father's original song "Hardware Store." He loves writing songs about Harry Potter and making up weird and often disgusting kids songs, and recently performed a tribute to Weird Al and Daniel Radcliffe at The Edinburgh Fringe Festival.

the great Luke Ski - At Dragon*Con 2004, Dr. Demento declared "the great Luke Ski" to be his show's Most Requested Artist of the 21st Century. Since then, Luke has held onto that title by having songs on the show's year-end countdown 18 years in a row, including five at #1. Luke is the brainchild behind Dumb Parody Ideas and recently released a new album titled *Needlessly Meta*. His songs about fannish topics have made him a staple on the convention scene.

Toby Danger - Toby Danger exists as the universe's answer to the question: what if Weird Al had learned guitar instead of accordion? The trio takes parts of Foo Fighters, Green Day, Tenacious D, and "Weird Al" Yankovic to create a Frankenstein's monster of modern rock that does stand up on the weekends. Toby Danger is a rock and roll explosion of comedy and electricity, ultimately reminding all of us not to take ourselves so seriously.

TV's Kyle and Linzilla - TV's Kyle is the puffy-vested bloopcore artist responsible for some of the more surreal songs posted to The FuMP. He is also the creator of Cartoon Network's Mighty Magiswords. Together with Linzilla—the world's smallest kaiju—they will take the stage and tell you the four things you need to know, one of which is that you can't get there from here. Booyah!
